# EXPERIENCE IS THE DIFFERENCE

## OUR CONSULTATIVE APPROACH

Dear Client

As the CEO & Co-Founder of Dealerosity, I am proud of the mission that our business model brings to the unique dealership world!

Our mission is to help, support, and partner with our clients to improve their overall prosperity and health of their dealerships through recruiting, hiring, training and retaining top talent. Across the nation, dealerships are experiencing the toughest hiring market in decades. Dealerosity's value is the integrity we bring to our full-life-cycle recruiting processes. We work tirelessly to identify the best of the best of talent.

Dealerosity is dedicated to developing trusted partnerships with our dealership clients. Due diligence, meticulous attention to details, and consistent follow up are the building blocks of our relationship. Dealerosity strives to be a significant and reliable extension of your team, externally and visually. We are more than a recruiting firm. Through our consultative approach to recruiting, hiring and on-boarding processes, we engage where you need us the most and we have a laser focus on on-boarding solid staff to help grow your dealership/s.

In addition to hiring, retention, coaching and market expertise, our customized training programs take our services to the next level. Dealerosity University partners with some of the most highly regarded dealership Trainers in the business and they are available through contractual agreements as needed by our clients nationwide and/or virtual video training. We provide customized training according to our clients' departmental needs such as Marketing, Accounting; Merchandise/Motor Clothes/Inventory Management; Service & Parts Departments; Sales & Finance Management (F & I); and Sales Management.

We look forward to a robust conversation about how Dealerosity can get help accelerate growth and prosperity at your dealership. There is nothing we love more than turning our competitive advantages into your dealership's success. Please do not hesitate to reach out to me personally at Nicole@Dealerosity.com.

# DISCOVER THE FUTURE

**COLLABORATION**

Our consultative approach focuses on identifying your dealership's specific needs and applying our in-depth knowledge of the dealership recruiting and staffing marketplace to achieve hiring success.

**RECRUIT THE RIGHT FIT**

Vetting a candidate is about more than a background check. We invest in understanding your company's culture and our candidates' talents and qualifications for successful long-term staffing solutions.

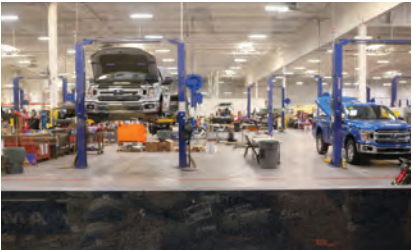

**TRAIN & RETAIN**

Beyond hiring the right talent, our customized onboarding and training programs are designed to improve the employee's success and build longevity and stability into your dealership team.

**MANAGEMENT, SALES & ADMIN**

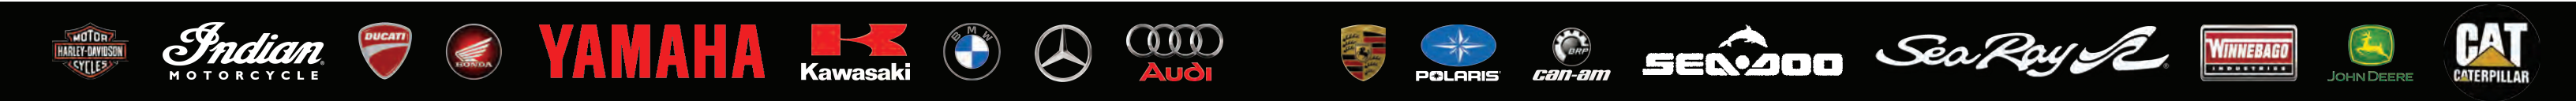

We recruit excellence across the entire dealership ecosystem: Marketing, C-level positions, Sales, Accounting, Supervisor Roles, Administrative, Merchandising, and Customer Service.

**TECHNICIANS & SHOP**

Decades of experience in the motor dealership industry, plus deep understanding of today's market is key to presenting the right technicians and shop talent for your dealership and your brands.
